It lingers when we're done, you'll believe God is a woman.

I don't wanna waste no time, yeah, you ain't got a one-track mind, yeah.

Have it any way you like, yeah and I can tell that you know I know how I want it.

Ain't nobody else can relate, boy, I like that you ain't afraid.
Brazil, lay me down and let's pray,
I'm tellin' you the way I like it, how I want it.

And I can be all the things you told me not to be

when you try to come for me, I keep on flourishing.

And he sees the universe when I'm the company,
it's all in me.
I'll tell you all the things you should know

so, baby, take my hand, save your soul. We can make it last, take it slow.

and I can tell that you know I know how I want it.

But you're different from the rest and, boy, if you confess, you might get blessed.
See if you de-serve what comes next,
I'm tell-in' you the way I like it, how I want it.

And I can be all the things you told me not to be
when you try to come for me, I keep on flour-ishi ng.

And he sees the u-ni-verse when I'm the com-pa-ny;
It's all in me.
